# SAFETY CABINETS

- Outperformed the leading competitor safety cabinet by over 100% in an independent UL 10-min burn test.
- EZ Level™ Bolster makes leveling simple and safe. No more blind fumbling or tipping the cabinet back to get to the leveling screws.
- Hi-Viz Safety Information Labels provide a permanent reminder and reference for users to follow proper safety and usage practices.
- Shelves guide spills safely to the rear, funneling any leaking liquids into a 2 deep leak-proof sump in the base of the cabinet.
- Thicker, more robust doors provide a 2.5 insulation gap between metal panels for added durability and safety.
- Self closing system ensures that the doors close in the proper order.
- Heavy-duty chain holds doors open.
- Fusible link shears at 165°
- Bright white interior
- Textured power coated paint finish

**Industry Standard Colors**  
 Yellow - Flammable Liquids  
 Red - Paints & Inks  
 Green - Pesticides
