MASTER®

36" High Capacity Belt-Drive Barrel Fan

MAHMD-36BDF Keeps your space feeling cooler by circulating large volumes of air. Great for spaces with or without air conditioning. Master's 36" Barrel Fan can take the edge off of your monthly energy bill.

MAHMD-42BDF
42" High Capacity Belt-Drive Barrel Fan

COLD FRONT® Atomized Cooling Fan (BCF-3019)

BAE1227989 Helps you against heat and humidity, so your team can comfortably work. Powerful and portable, the BCF-3019 uses fluid atomizing technology to instantly evaporate micro droplets and lower air temperature. That means better, more efficient cooling, without a noticeable increase in humidity.

8" Confined Space Ventilator with Attached Ducting/Canister All-in-One Unit

MAHMB-P0813-DC25 The ideal workhorse, the ventilator is perfect for small confined spaces, such as manholes and sewers. This compact unit delivers maximum airflow for a safe, comfortable and controlled work environment. The ventilator and canister can be purchased as a complete unit or as separate pieces.

SHEFFIELD Field Box

Store your essentials in the Sheffield Field Box. This field box features a base-to-lid interlocking system that makes it easier to stack and reduces tipping. The unique compression fit lid is water- and dust-resistant for durability, while the molded lip provides added protection against contaminants.
